

PA CareerLink® Floor Plan and Sign Examples

Below is an example of interior PA CareerLink® signage located at another location, similar to what is required by the RFQ (PA CareerLink® Interior Reception Sign), a rendering of the PA CareerLink® high-wall sign to be installed at the new location (PA CareerLink® Exterior High-Wall Sign), and a basic floor plan of the office space at 300 Penn Center Boulevard to assist in planning for the typical office signage required by the RFQ.

These materials are being included for informational purposes only to assist in understanding the requirement and preparing a quote. Exact locations, sizes, and materials for all signs are to be determined in consultation with the selected bidder.
