A: The number of hours you can work depends on your tier:

As you move up tiers, you're able to work more hours and gain more experience.

A: Your tier is based on your age:

- Tier 2: \$12/hour – gaining experience
- Tier 3: \$15/hour – advanced skills

As you build skills and move up tiers, you earn more per hour.

Youth will be notified via email and directly by a Provider if they are placed. Be sure to check your email to ensure your application has been submitted.

Summer Youth Employment Program

There are a limited number of positions available. A completed, eligible application does not guarantee placement. Placements are made on a first come first serve basis. Because placements are not guaranteed, applicants are advised to complete applications as soon as possible for the best chance at a placement.

Any application updates will be sent via email to the email address on the application. Please be sure that all contact information is up to date and accurate. If participants are placed with a provider, that provider will notify youth directly with information regarding orientation and onboarding. If you are unsure of the status of an application, please email summer@partner4work.org.
