Questions and Answers Regarding the RFP for Pre-Apprenticeship RFP

Published on October 4, 2018

Can you please define capacity to payroll participants for 4 week externships. Do you mean coordinate their checks and payments or do you mean take them on as company employees.
The successful bidder will serve as the employer of record for participants during their externship, including payroll.

Is there any chance of an extension beyond December 31, 2018?

Current grant funds are good through December 31, 2018. If the project is demonstrated to be successful, there is potential to extend.

Is there a maximum cost per participant not including the stipend dollars?

Costs should be reasonable. Partner4Work has not set a maximum cost per participant at this time.
